¹ Members registered on the ProSelect option and Savvy options are required to make use of the DSPN. Co-payments will apply when using hospitals outside of this network.

² Maternity benefits include in- and out-of-hospital maternity-related treatment, medicine or procedures, depending on the option.

³ The Maternity programme includes specified out-of-hospital benefits on all four ProSecure options and ProActive Plus options.

⁴ Specific Tariff: Procedures: 120% of Profmed Tariff. Consultations: R602 for GPs and R882 for specialists. Or paid at code-specific Rand values.
